Unlike other co-packing companies, they specialize in single serve, small packets: packages from .5 grams to 50 lbs. and in sizes ranging from 1.5 inches by 2 inches to 12 inches by 16 inches. Packaging type varies from sachets to bags to canisters and bulk... and many in between. JHS Packaging also offers artwork development as well as full product R&D. Minimum order quantities on a case by case basis and there are no limitations for maximum runs. |
